| State Operations Center | Inland Region EOC | Coastal Region EOC | Southern Region EOC |
|-------------------------|-------------------|--------------------|---------------------|
| Level 1 | Normal Operations | Normal Operations | Normal Operations |

Coronavirus Disease 2019 (COVID-19)

The Cal OES State Operations Center (SOC) activated 03/02/20 at 0700 hours in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

Situation Overview

- **California State of Emergency Proclamation**

On 03/04/20, Governor Gavin Newsom declared a State of Emergency for California, as a result of the global COVID-19 outbreak that began in December 2019, to make additional resources available, formalize emergency actions already underway across multiple state agencies and departments, and help the state prepare for broader spread of COVID-19.

- **Global Health Advisory**

On 08/06/20, in close coordination with the U.S. Centers for Disease Control and Prevention (CDC), the Department of State lifted the Global Level 4 Health Advisory. The Global Advisory, initially put in place on 03/19/20, advised U.S. citizens to avoid all international travel due to the global impact of COVID-19. For more information visit: <https://www.state.gov/>.

- **State Executive Order N-33-20**

On 08/28/20, California introduced a blueprint for reducing COVID-19 in the state with revised criteria for loosening and tightening restrictions on activities by counties. Visit [Blueprint for a Safer Economy](#) for more information and to check the status of a county. This blueprint included a health equity metric to be used along with other metrics to determine a county's tier. The purpose of [Equity Metric](#) is to ensure California reopens its economy safely by reducing disease transmission in all communities.

Confirmed Global COVID-19 Cases – Per Worldometers COVID-19 Live Updates as of 12/31/20 at 1100 hours:

- 83,448,062 (+765,078) total confirmed cases in 218 countries..
- 1,819,445 (+15,398) total deaths.

Confirmed United States COVID-19 Case – Per Centers for Disease Control and Prevention (CDC) as of 12/31/20 at 1000 hours:

- 19,663,976 (+230,337) total confirmed cases.
- 341,199 (+3,764) total deaths.

Confirmed California COVID-19 Cases - Per Medical Health Coordination Center as of 12/31/20 at 1100 hours:

- 2,245,379 (+27,237) total confirmed cases.

- Please see attached California Health & Human Services (CHHS) Agency / Cal OES Joint Situation Report for additional details.

Active Weather Warnings, Watches and Advisories by County:

<http://www.wrh.noaa.gov/hazardSummary/?state=ca&bycounty=1>

WEATHER KEY POINTS

01/02/21 - 01/08/21

Saturday-Saturday Night

- Light rain and mountain snow showers will continue through Saturday evening.
- Gusty winds to 50 mph are possible across portions of Modoc County tonight.

Sunday - Friday

- A series of storm systems will continue across primarily northern California into next week
 - The strongest storm is expected across northern California on Sunday night through Tuesday morning, producing areas of gusty winds, heavy mountain snowfall, and locally heavy rainfall.
 - Light rain and gusty winds are possible into southern California Monday and Tuesday
 - Another storm is expected Wednesday through Thursday morning. While this storm appears to be weaker than the storm on Monday, it will bring another period of gusty winds, locally heavy rainfall and heavy mountain snow.
 - Light rain and gusty winds are again expected into southern California Wednesday night and Thursday
 - Another storm system is possible for Friday and into the weekend.
 - Burn scars will be closely monitored for potential impacts, especially for the Monday and Wednesday storms.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Missions

2021-LAW-50118, 01/01/2021 at 1657 hours: The CalOES Law Branch was contacted by IERCC regarding an SOS activation in Lassen County, approximately 3 miles north of Butte Lake on a forest service road (40.587358, -121.294706). A solo female motorist had gotten her vehicle stuck in the snow and was unable to extract herself. LDO contacted Lassen County Sheriff's Office at approximately 1705 hours. Lassen County Sheriff's Office sent a deputy in via foot as the conditions were too extreme for vehicle traffic. The female was rescued and returned to safety uninjured. **MISSION CLOSED.**

Cal OES MISSION TASKINGS
